KREATIV-TRANSFER

SAVE THE DATE

Kreativ-Transfer becomes III! The German Dance Association “Dachverband Tanz Deutschland (DTD)” can continue the programme until May 2023.

For the restart, the DTD together with the cooperation partners invites you to an **online Kick-off - Kreativ-Transfer wird II** on **22 September 2021**.

What have we learned from Kreativ-Transfer I - before and during the pandemic? In a short review, we will share impressions and experiences from the programme with you.

But above all, we will be looking to the future. Together with Kreativ-Transfer grantees, funders, cooperation partners, jury members, and other participants, we want to talk about questions and challenges related to international networking: What does successful networking look like in (post)pandemic times? How can (more) visibility be created for one's own creative and artistic work? And how can Kreativ-Transfer continue to offer meaningful support and be even more effective in the future?

In addition, we will provide information on the Kreativ-Transfer II programme and offer the opportunity to exchange ideas and experiences with professionals in the cultural and creative sector.

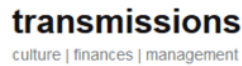

Please note that the online kick-off is planned to be held in German – please let us know if you would need translation in order to participate.

We strive to make participation in our funding programme and events more barrier-free. What do you or your colleagues need to participate in the online kick-off (translation, subtitles, screen reader compatibility etc.)? Please send us an email (info@kreativ-transfer.de) by 22 August 2021.
